

Dear Parents (Classes 3, 5, 8 & 10),

This is for your kind notification that our school has been chosen as a Sample School for the National Achievement Survey (NAS), 2021. NAS is a nationally representative large-scale survey of students' learning undertaken by the Ministry of Education, Government of India.

As a part of the survey, students of Grade 3, 5, 8 and 10 have to undergo the assessment on 12th November, 2021 at school premises. In this regard, I request you to send your ward to school for the same, as it is compulsory for all students, of said grades, to be available for the survey. All necessary precautionary measures will be maintained, as per Covid protocols, to ensure optimum safety for all students.

Buses will be provided for all students to commute to school. Please refer to the attached file containing bus routes to identify your bus number, stoppage and time. Dispersal for all students will be at 1:00 PM.

Regards,

Anisha Sharma
