

Dear Parents,

The DPS Society HRDC is planning to bring out a desk calendar for the year 2020-21. In this regard, we invite students to send us any one original painting done by them. The selected painting will be included as a part of this prestigious calendar.

The theme of the painting is: 'Strong human values in the face of adversity'.

The painting should be made on an A4 paper with a vertical orientation. The students can select and use the mediums of their choice. Students can send a high-resolution photograph or a scanned copy of the painting.

Please note that the painting can be sent by any student, of any class, as long as it is an original work and it adheres to the theme and size restrictions enumerated above. The entry must be accompanied by details of the student which includes name of the student and the class. It must also include the name/ caption of the painting.

Interested students may send their painting entries latest by 10th November, 2020. They can mail their entries to dpsslgcd@gmail.com.

Regards

Sukanta Ghosh

Principal In Charge.
